

Japan Arrival Checklist — Tokyo Edition

Do these 7 things and your first day in Japan gets easy. Last verified: 2026-10-05

Before you fly

- ☐ **Visit Japan Web** — register for free, and get one QR code for immigration and customs.
- ☐ **eSIM** — install it at home, and turn it on when you land.
- ☐ **Suica** — iPhone: the Welcome Suica Mobile app (no deposit). Others: a physical card at the station.
- ☐ **Save these numbers:** 110 (police), 119 (ambulance/fire), +81-50-3816-2787 (Japan Visitor Hotline, 24/7, English available).

When you land

- ☐ **Pick your train by hotel area:** east Tokyo (Ueno, Asakusa) → Skyliner from Narita. Haneda → Keikyu or the Monorail.

When you shop

- ☐ **Tax-free changed on Nov 1, 2026:** you now pay tax at the store and get it back at the airport. Do the customs check **within 90 days, before you check in your bags.**

Before you leave

- ☐ **Tax-free kiosk first, then bag check-in.** No customs check = no refund.

Want the full plan? First 72 Hours in Tokyo covers every airport route, a 3-day plan by hotel area, and the full guide to the new tax-free system. General information only. Always check the official website before you travel.
